# Why Are We Here?

SMOOTH  
SAILING  
SOLUTIONS

- To not feel alone in today's threat landscape
- To find approaches my boss will actually fund
- To hear and share risk management stories
- To read a slide deck about compliance
- I heard there might be snacks

# Risk Management?

SMOOTH  
SAILING  
SOLUTIONS

The process of evaluating how likely an event is to occur, how bad it'll be if it does, and preparing for it in advance.

# The Process

SMOOTH  
SAILING  
SOLUTIONS

1. Identify your critical assets and tools.
2. Assess the impact.
3. Make a plan to cover your assets.
4. Test the plan.
5. What don't I know?
